The world's greatest clubs are built on shared values, a sense of bonding and camaraderie. So, it's no surprise that we too continue to grow our membership collective by the tributes and referrals of members like you.

What better way to welcome your fellow achiever friends to our inner circle than by celebrating together at ICC Cricket World Cup 2019 and cheering for India with VIP hospitality from our private boxes and suites!

Every newsmaker or leader you refer to us, pursuant to being invited that becomes a member of The Indus Club before 15th March, 2019, gets to join you for this once-in-a-lifetime experience with a 5 star hotel accommodation. And it's all on us!
